- You must have a provided Username and Password to log in to the system.
 Without these credentials, you will not be able to access it.
 If you need access, please contact the Super Admin (Snr. SS Mapping) for assistance.
- 2. When you Enter to the System Menu will display as follows

- New Map Request Directs you to process map sales for customers.
- Cart Takes you to the respective cart.
- Inventory Management Provides access to all stock management functions.
- **Reports** Allows you to generate various types of reports.
- Admin/Map Details The content displayed here may vary depending on the login credentials. It provides access to user and map management functions.
- Next Displays the type of logged-in user
- Log Out Allows you to log out of the system

Supper Admin Credentials

1. User Management

Displays all system user details and allows you to edit or delete users and create new users.
